DISTRICT II ARCHON REPORT
Xhoni Qyteza
March 4, 2017
St. Louis, Missouri

Brother SWGP and brothers,

It is great to attend another executive council meeting with you all. Since our last meeting, I finished my last semester at Washington & Jefferson College and officially became an alumnus of Phi Kappa Psi. Additionally, I was in Philadelphia for our Regional Officer Training along with JP Ranu. Furthermore, I have had multiple conversations and phone calls with many leaders in my district in terms of accreditation.

Chapter Updates:

Maryland Alpha: Extended the lease on their chapter house for another two years for their 60 brothers (2nd largest brotherhood on campus) along with adding 24 potential new members. Plan on paying their debt in full by end of semester.

Ohio Theta: Their 41 actives (largest on campus) have a brotherhood retreat this Friday to celebrate their successful Valentine's Day fundraiser.

Pennsylvania Rho: Their 29 actives (2nd largest on campus) celebrated their 25th anniversary on campus with 106 alumni in attendance, which was the largest Phi Kappa Psi event ever for them. Furthermore, they are second in philanthropy dollars raised.

Pennsylvania Beta: The 35 actives are going on their 162nd consecutive year on campus with a pledge class of 15. Recently held a successful fundraiser for local girl in town.

Ohio Omicron: Initiating four new members and starting to restructure their chapter bylaws. In the process of starting a chapter alumni corporation, along with collecting alumni debt.

Pennsylvania Alpha: A new pledge class of 15. Created a code of conduct while they are currently on social probation for being the only hub of any fun activity that can occur on that campus.

Ohio Iota: Almost two years of having their charter back. 37 members along with 6 pledges, which makes it the biggest size they have been. They are second in both service hours and philanthropy dollars on campus.

Ohio Nu: The 89 actives and 11 potential new members are excited to host the Phi Psi 500 this week along with having their banquet dinner.

I have enjoyed every minute being on the Executive Council and looking forward to my time as an alumnus of the Fraternity.

In the bond,

Xhoni Qyteza
