supreme legislative, judicial and executive voting body of Phi Kappa Psi Fraternity. Dating back to 1855, GAC is the only body of Phi Kappa Psi Fraternity that meets in a single city to conduct Fraternity business while reflecting on their bonds of brotherhood. Every Phi Kappa Psi Fraternity chapter sends two delegates to the GAC. Additionally, delegates and other brothers in attendance will sit on committees to provide recommendations on how best to move the Fraternity forward in the coming years, including the Constitution, Rules, and By-Laws of the Fraternity.

is to elect four alumni officers who will serve on the Executive Council. These four alumni will vote, along with the delegates, on the business of the Fraternity until the next GAC is convened. Additionally, delegates and other brothers in attendance will sit on committees to provide recommendations on how best to move the Fraternity forward in the coming years, including the Constitution, Rules, and By-Laws of the Fraternity.

Fraternity & Sorority Experience Survey (FSSES)

In a partnership with the Piazza Center at Penn State we want to know more about the undergraduate Phi Psi experience.

In February we began sending links to current undergraduates who joined prior to 12/31/21. In almost two months, here are the engagements stats:

- 643 of the 5413 members (almost 12%) of Phi Kappa Psi have started the survey
- There are 349 completed responses (6%)
- There are 294 partial responses...a majority of those who have yet to answer one question.

Multiple \$100 giftcards were used as incentives with over 220 members opting into the drawings

We want to hear from you!
