

PRESIDENT JAMES D. BOYLE: You know, you and --
just -- never mind. (Laughter.) Just perfect.

MR. JEFF MISKOVICH: Too tall.

Thank you. Brother SWGP and Brothers, Jeff Miskovich, Indiana Delta '09.

Brother Price, thank you for the pretext to what I'm about to outline.

We were able to thankfully come together with a proposal, which I am about to outline to you all now. This proposal, the Fraternity and the Foundation are proposing that we have six months from the closing gavel today to fully resolve all nine points, which Brother Price mentioned.

In the event both sides are unable to reach an acceptable agreement, each party shall appoint a representative to mediate.

Each representative shall, in turn, appoint a third mediator. Such mediators shall, thereby, provide a resolution to the Fraternity and the Foundation on the matter within the agreed upon 60 days.

Thank you to Brother Jim Denny, who gave input on this, as well as Brother Shannon Price.

And I would like to move to approve the aforementioned plan.
