

REGIONAL LEADERSHIP TRAINING

Dear Fraternity Educator,

The purpose of the annual Regional Leadership Training is to educate all chapter officers with the skills to help better equip you to perform the best in your position. While we were not able to gather in person this year due to COVID-19, we hope that you will still find value in the instructional videos we have built out for you. Beginning March 8, 2021, we will be hosting multiple Zoom calls where you will be able to meet with other chapter officers and go to breakout rooms based on your position to interact with other fraternity educators and have your questions answered.

Below are embedded links to the videos you are required to watch on YouTube. If you have problems accessing the videos, email memberdevelopment@phikappapsi.com.
