### Gary R. Truex '55

Brigadier General (Ret.) Gary R. Truex, M.D., of San Rafael, CA, and Zephyr Cove, NV, died peacefully at home on September 10, 2021, surrounded by his wife of 52 years, Gwen Moen

Truex, and his two sons. He is survived by his children, Megan (Tom Dowe) Truex, of Austin, TX; Grey (Terese) Truex, of Novato, CA; and Laird Truex, of Los Angeles, CA. He also leaves behind five grandchildren: Cole, Leo, and Carlo Truex; and Molly and Julia Dowe. Gary was born and raised in Reno, NV, the son of Loren and Meredith Truex. He was a 1954 graduate of Reno High School, where he played football,

threw discus and shot put on the track team, and was student body president. He graduated from Stanford University, where he was a member of Phi Kappa Psi fraternity, in 1958. His post-graduate education included a Doctor of Medicine degree, with academic honors, from the University of Southern California. He completed a rotating internship and internal medicine residency at Los Angeles County Hospital and the University of California, San Francisco. Two years of sub-specialty nephrology training ensued as a National Institute of Health Fellow at the Cardiovascular Research Institute at UCSF. Gary then joined what is now Pacific Internal Medicine Associates in San Francisco, where he practiced internal medicine and nephrology for nearly 30 years. In addition, he was Medical Director of the Artificial Kidney Unit at California Pacific Medical Center. No one knows better what a fine and devoted physician he was than the many patients he treated during his career. In 1963, Gary was commissioned in the California Army National Guard, where he proudly served for the next 34 years. His duties included roles as Medical Officer, General Surgeon, Chief of Service, and 146th Combat Support Hospital Commander. He capped his career as Commander of the 175th Medical Brigade. Gary's numerous awards include the Meritorious Service Medal (2nd award), Army Achievement Medal, Humanitarian Service Medal, California Service Medal (5th award), and the California State Service Medal. He was very proud to share his Army association with his grandson, Cole Truex, currently a third-year cadet at the United States Military Academy at West Point. Gary loved his wife and family beyond measure. A father who both fostered discipline and offered boundless encouragement, he was fond of taking his children with him on house calls when they were young and, later, coaching his sons' football teams. He was affectionately called Papa Bear by his adoring grandchildren, whom he cheered on in their many athletic endeavors and of whose academic accomplishments he was extremely proud. Once a dedicated handball player, Gary was a long-time member of the Olympic Club. He was also a member of the First Presbyterian Church of San Rafael and enjoyed attending performances of the San Francisco Symphony. He was an excellent storyteller, an avid reader of military history and thrillers, and truly the King of Condiments. He also loved to dance. Well known for

his playful sense of humor, Gary relished pranks and had a big, booming laugh. He especially enjoyed dressing up in costumes and for many years hosted an annual Groundhog Day party in a full groundhog costume. He also occasionally wore one of his collection of fake mustaches out to dinner. Gary retired from both his Army and medical careers in 1997, after a diagnosis of acute myeloid leukemia. He was profoundly grateful for the unconditional love and care of his wife Gwen during his long recovery. In his retirement, Gary took great pleasure in being at his Lake Tahoe cabin in Zephyr Cove. He especially enjoyed watching Army, Stanford, and 49er football games from his well-worn leather chair, where he could often be found smoking his pipe. He also loved spending time with his beloved black labs, Samantha, Keely, and Tula. His family, colleagues, and friends will remember Gary as a straight shooter, a fiercely competitive spirit, and a respected leader. He was also a big-hearted friend to many. Above all else, he was a man who valued integrity, and he held himself to the highest standard in everything he did. His family is proud of, and thankful for, his life of service and achievement. Due to COVID-19 concerns, a memorial service will be held at a future date. In lieu of flowers, Gary's family kindly asks that donations be made in his honor to The Leukemia And Lymphoma Society of Northern California, P.O. Box 102497, Pasadena, CA 91189-2497.

### William A. Pendl '51

Bill Pendl passed away on January 22, 2020 at age 87, with his children and wife by his side. He was the beloved husband of Deborah Gammons Pendl and the late Jane Dorner Pendl; father of David (Debbie) Pendl, Jeff (Holly) Pendl, and Holly (Adam) Bortz; grandfather of seven wonderful grandchildren; great grandfather of one beautiful great grandson; predeceased by his brother Robert D. Pendl. Born in South Bend, IN, he won the Indiana State Junior Doubles Table Tennis Championship in 1948, which led to a life-long love of tennis when the tennis coach put a racquet in his hand. He was a varsity tennis player at South Bend Central High School and went on to DePauw University on a full academic scholarship. He was captain of the tennis team for 3 years and named senior athlete of the year in all sports. At DePauw, he met Jane Dorner, and they married shortly after their 1954 graduation. He continued his tennis accomplishments during 1955-56 while stationed at Wright Patterson Air Force Base in Dayton OH. Bill and Janie stayed in Dayton to start their family, and Bill began his very successful 38-year career with IBM. The family moved to Terrace Park in 1967. "Tennis was a way of life" for the Pendls, and for the duration of their marriage Bill and Janie (a top-notch tennis player) played singles and doubles at venues all over the country. Sadly, Janie was diagnosed with ALS and passed away in 1991. Bill retired from IBM in 1992 and started to play as an internationally ranked player in singles and doubles. He continually maintained and expanded his relationship with DePauw tennis, from recruiting to becoming a volunteer

assistant coach. In 2010, he was inducted into the DePauw University Athletic Hall of Fame and the Greater Cincinnati Tennis Assoc. Hall of Fame. As in tennis, one should always pick the best doubles partner in life, and Bill chose two great partners in Janie and Debby. Bill and Debby were married in 2002. Bill's devotion to and passion for tennis, combined with his innate optimism, allowed him to provide levity, confidence and motivation to those he mentored and coached during times of intensity, pressure and doubt. He taught many lessons, both on and off the court, that provided a sound foundation for young people as they entered their adult lives. He was loved and will be missed immensely by his families (the Pendls and the DPU Tigers) as well as all of those whose lives he touched. His life will be celebrated on February 3rd at 4:PM, St. Thomas Episcopal Church in Terrace Park, OH. In lieu of flowers, the family suggests memorial contributions be directed to "The Team Riggle Foundation for Parkinson's Disease", 860 Robin Wood Place, Greencastle IN 46135; or to a charity of your choice.

His generosity will always be remembered. Alan will also be remembered for his strong will and hard work ethic, and his continuous efforts to stay young and to stay in touch with family and friends. His parents and brother Hugh preceded him in death. Surviving Lambert boys include David of Rehoboth, Delaware and Jack of Dublin, Ireland. ### Ryan H. Steigerwald '04

On December 6, 2021, Ryan Harth Steigerwald left us to be with his godson Pierce and is now with our Lord in Heaven. From the moment he entered this world, it was a better place. A bear of

a man, with a massive hug, so full of love, that he would slightly crush you with his affection. A gentle soul, a selfless friend; a loyal son, brother, husband, and father. He never raised his voice in anger to anyone and was always ready with a helping hand. His mischievous sense of humor always kept you on your toes. Ryan grew up in Birmingham, but he spent his summers in the Village of Port Austin, which he and

his siblings have always considered home. He graduated from Valparaiso University where he was an enthusiastic member of the Phi Kappa Psi fraternity. An accomplished businessman, salesperson, mentor, and leader, he was able to affect the lives and futures of the many people he worked with professionally. Ryan was soft-spoken but intensely competitive at the rink where he played hockey from the age of 5. He was active in several local hockey leagues both in Birmingham and Bad Axe, touching the lives and bruising the bones of his friends and family on the ice. Ryan met Stephanie Schmid in the winter of 2010. Steph was not interested in dating, but when Ryan asked if she would go to a Red Wings game with him, it was over – their connection was immediate. That very night Steph told Carley, her little sister, she was going to marry RyRy. Less than one year later they were back at the Joe. Ryan proposed to Steph at the second intermission, displayed for all to see on the JumboTron. Ryan orchestrated a spot for them on the Buffalo Wild Wings Sauce Scramble. A timer clicked away as Steph easily guessed three sauce flavors, on the last, Steph was puzzled - what sauce

has four words? When it clicked, she gasped and turned around to see Ryan on one knee. There was no hesitation in her answer. When Steph said Yes (and some other choice words) the crowd went wild! Two years later, Henrik Scott Steigerwald bounded into our lives. Ryan would carry that baby everywhere. His love was so powerful for his boy, it made anyone around smile. Whether they were away from each other for five minutes or five days, every time they looked at one another their faces just lit up. Ryan was a father above all else, and in Henrik's eyes, he was a Superhero. His light has gone too quickly from here on earth, but it will continue to shine brightly in those who were lucky enough to have known and loved him. Ryan is Survived by Stephanie Steigerwald (wife), Henrik Scott Steigerwald (son), Beth and Scott Steigerwald, Kyle Steigerwald, Julian Steigerwald, Kate and Brandon Movitz, Jude Movitz, Pierce Movitz (deceased), Beau Movitz, Tyler Steigerwald and Mary Liesveld, Shelley Schmid, Don and Denise Schmid, Connor and Aileen Schmid, Carley Schmid and Tommy Bergmann, Janet and David Gibb, Charles (deceased) and Jackie Steigerwald, Suzanne Stock (deceased), Nancy Best, Elmer and Karen Rousseaux, Brandt and Jeanette Rousseaux, Kai Rousseaux, Arden Rousseaux, Gemma Rousseaux, Brooks Rousseaux, Ellie Rousseaux.

### Vincent J. Del Medico '48

Vincent J. Del Medico passed away September 24, 2021, at the age of 92 after a courageous battle with pancreatic cancer. Vince spent these difficult but very special times surrounded by his beautiful bride of 69 years, Jackie, and their large, extended family. Through it all, his strong Catholic Christian faith never wavered, and somehow, he kept us all laughing to the very end with his beautiful sense of humor. Vince

was extremely proud of his Akron roots spending his entire life here, going to school here, raising a family here and owning a business here. He graduated from St. Sebastian Grade School

and Buchtel High School. After graduating from Wittenberg University, where he met Jackie and was a member of the Phi Kappa Psi Fraternity, he then served in the United States Navy until 1958. When he returned home, he took over management of Chez-Del Interiors from his mother Angela, who founded the company in 1946. He grew the company over many years by designing residences, restaurants, banks and law firms in the Akron and Cleveland area. He developed fast friendships with each of his clients by listening to their needs and addressing them with his unwavering commitment to customer service and sharp design expertise. Once Vince furnished someone's home, they invited him back to furnish their businesses and second homes. He sought out other talented designers to come to work with him and created a family environment that made Chez-Del Interiors a top design firm in the region. He worked tirelessly to prepare the business for the third-generation family owners to take over before retiring from Chez-Del Interiors in 1994. Vince's most cherished and important thing in life was his family. Nothing EVER took precedent. With the incredible, selfless support from the love of his life, their six children grew up in a loving, happy, fun and faith-filled home! Vince was everything you could ask for in a son, a brother, a friend, a boss, a husband, a father, a grandfather, and a great-grandfather. A friend to so many, he was kind, unbelievably thoughtful and generous, reliable, non-judgmental and a great listener. While he was always willing to help a friend in need, he was not one to meddle, and his sage advice was usually only given when requested. His interests and hobbies were many and ranged from a love for nature and gardening, to a variety of sports, to cooking for large groups, to enjoying good wine and good scotch. As a result, he had fun, long lasting relationships with many groups of friends...his lifelong fishing buddies (legendary Canada trips), his tennis friends at Fairlawn Country Club (the post-match meals and drinks) his cycling partners (he road thousands of miles well into his 80's) and his Florida Barefoot Beach "brothers and sisters" (sunset cocktails and potluck dinners). Vince was just not one to sit idle, before or after retirement, which is not to say that he didn't slow things down to live in the moment. He loved nothing more than sharing a drink with you to talk about your day or enjoying a wonderful meal and a good bottle of wine with family and friends. If ever there was a Christian man who "walked the walk", it was Vince. No matter the situation or what the relationship was with the other person, Vince always went out of his way with words and actions to express his appreciation and always treated other people with respect and dignity. This usually involved him utilizing his quick wit and sense of humor and often resulted in all who were involved with having a good laugh! Vince never shied away from showing emotion or affection to family and friends. In fact, he embraced it! He was generous with his hugs and kisses and always an "I love you" at goodbye. We will miss that so much. Even though Vince had a passion for travel and adventure, owning his own business and working six days a week (including nights) didn't leave much time for vacation during the early years. Nevertheless, once a year he and Jackie would pile all 6 kids into the station wagon and head somewhere for a week. These were very special trips where unforgettable family memories were made. Later in life, Vince and Jackie did get to travel extensively on their own to many wonderful places in the U.S. and abroad which they greatly deserved and absolutely loved. Dad was a firm believer

in “giving back” and “paying it forward” and set a wonderful example for his children to do the same. He volunteered with many organizations and groups through the years. Most notably, he served on a number of committees at his parish St. Sebastian’s Church, including 20 years on the Foundation Board. He also was a past Board member at Archbishop Hoban High School and routinely made pickups and deliveries of meals for the Good Samaritan Hunger Center of Akron. Vincent was preceded in death by his parents Joseph and Angela, his sister Ann Hartlaub (Joseph) and his daughter in-law Mary Ann Del Medico. He is survived by his wife Jacquelyn and his children Vincent Jr. (Denise) Michael (fiancée Chris Fiocca), Timothy (Jenny), Anne Gorey, Jacquelyn Paparella (Mike) and Patrick (Jayne). Vince is also survived by his 16 grandchildren and 15 great-grandchildren, which were his pride and joy. Family and friends will be received to celebrate Vince’s life Thursday September 30th from 3pm-6pm at St. Sebastian’s Church, 476 Mull Ave, Akron. A memorial mass will be held Friday October 1st at 11am, also at St. Sebastian. Interment will be a private family celebration. ### David R. Schultz '58

David Rhodes Schultz, Esq., of Glen Allen, died on October 29, 2021, at St. Mary's Hospital in Richmond. Mr. Schultz was a devoted husband and father, a well-respected leader of the Virginia Bar, faithful supporter of UVA Athletics through the good and bad and beloved curmudgeon. Mr. Schultz was born in Yonkers, N.Y. on June 16, 1939, and attended Charles E. Gorton High School. It was at Gorton that Mr. Schultz met Judith Ann Maxwell, the love of his life. In the spring of his life, as with most young men of his generation, he sported a flat top, wore Clark Kent glasses, black Chuck Taylor sneakers

and shot free throws underhanded. In other words, an All-American. Mr. Schultz graduated from Gorton in the Spring of 1957. After graduation, Mr. Schultz attended Bucknell University in Lewisburg, Pennsylvania. Mr. Schultz majored in chemistry and joined Phi Kappa Psi fraternity, where he wore his flat top, Clark Kent glasses, black Chuck Taylors and a wry smile for each of his four years. Mr. Schultz was commissioned a Second Lieutenant in the U.S. Army upon graduation from Bucknell and was sent to Ft. Sill in Lawton, Oklahoma. Mr. Schultz served in the Air Defense Artillery, a vital branch of the Army in the early 60s. Being geographically distant from Yonkers, Mr. Schultz asked Miss Maxwell to marry him and come to Oklahoma. She accepted, and the couple found themselves together in the Great Plains. Following his honorable discharge from the Army in 1963, Mr. and Mrs. Schultz moved to Alexandria, Virginia to start a family. Donald was born in 1964 and Karen in 1967. He worked for Gulf Oil and went to law school at American University in the evening, studying to be a patent attorney. Mr. Schultz began his legal career in private practice, eventually becoming General Counsel for Reston Land Development Corporation. Over a 30-year legal career, Mr. Schultz earned a reputation as a knowledgeable and skilled real estate attorney. He began his career by searching titles at the Alexandria courthouse and eventually played a major role in Reston's development and closing real estate deals worth hundreds of millions of dollars. As a leader of the bar, Mr. Schultz devoted significant time to serving on the Disciplinary Board of the Virginia State Bar. This institution bears the responsibility of administering discipline to wayward attorneys. He considered this responsibility commensurate with a public trust, and he was a fair but firm judge of attorney conduct. In the autumn of his life, Mr. Schultz devoted his time to his family. Grandpa Dave and Grandma Judy were fixtures at their grandchildren's activities, graduations and this summer, the wedding of grandson, Maxwell Dash to Miss Alex Gerkin. Mr. Schultz was predeceased by his parents, Charles Davidson Schultz and Florence Rhodes Schultz. He leaves a wonderful family:

wife, Judith Maxwell Schultz; son, Donald Charles Schultz of Virginia Beach, Virginia and wife, Kimberly Sensabaugh Schultz; daughter, Karen Schultz Dash and husband, Stephen William Dash of Glen Allen, Virginia; granddaughters, Allison Claire Dash and Charlotte Lee Dash of Richmond, Virginia; grandson, Maxwell Benjamin Dash and wife, Alex Gerkin Dash, currently of Avon, Connecticut; and grandsons, Dwight Howard Schultz and Louis McClellan Schultz of Virginia Beach, Virginia.

### Robert I. MacDonnell '58

After a long battle w Alzheimer's, Bob MacDonnell, age 83, passed away peacefully on Tuesday, May 18th surrounded by his family. He was a much loved husband, father, brother, business partner and friend. He had an outrageous sense of humor and tremendous sense of humility. He loved being a Marine. He was a great athlete, and loved to compete. Bob was good with people, was a kind and generous person, and a wonderful mentor to many. He felt very fortunate for the many blessings of his life and would help others in whatever way he could. As a father, he tried to impart the lessons and wisdom he had gained throughout his life, which he referred to as "his lectures". He would conclude these discussions with a simple "end of lecture", and a smile. He loved vanilla ice cream and shocked us all when he switched to chocolate. He became obsessed with golf and even won the AT&T Pro-Am at Pebble Beach in 1999. Looking back, he always said to be successful you need hard work, timing and luck, and with those one could accomplish anything. Professionally he worked for Arthur Anderson, and found his home as a partner at KKR, working with his brother-in-law and many others whom he considered family. With his wife Jannine, he bought land in Napa Valley in 1978, and found joy in being a farmer, building a family business, and in the great beauty of wine country. Dad was known as Lucky Bob, but the truth is, it was all of us who were lucky to have known and loved him. He will be greatly missed. He leaves behind his wife, children, grandchildren, and his brother and sister. Above all else, Bob wanted to be remembered as a great Dad, which he was. End of Lecture. In lieu of flowers, please send donations to Alzheimer's Association, or Collabriacare.org. A celebration of life will be held at a date yet to be determined.

Angelo J. Mazzarella Jr., beloved husband, father, and friend passed away peacefully on Friday, October 15, 2021, at his home in Bristol, RI. He was 64. Born in Fall River, MA, Angelo was

the son of the late Angelo J. and Mary F. (Fiore) Mazzarella, Sr. He graduated from Bristol High School, Class of 1975, where he lettered as a varsity baseball catcher. Mazz, as his closest family and friends called him, was a hard worker and

learned from a young age to be the creator of his own success. He owned and operated multiple family run businesses with his family; Jukebox Deli, Main Street News, and a sport collecting card shop. He was a Sales Manager for Chromate Industries for 25 years and later opened Maintenance Supply Distributors, where he was the Chief Executive Officer for 10 years. In 1987, Angelo married Kathleen Caulder. Their 34 years of marriage were filled with endless love for each other, countless trips to Disney World, nightly drives around town and Colt state park, and a baseball game every opportunity they had. They were best friends and were rarely without each other. Angelo was a "Bristolian" to the core, and loved the 4th of July. He could be found at the concerts at Independence Park every night during the concert series. In town, people joked that Mr. Mazz was considered the unofficial "Mayor" of Bristol because he couldn't walk down the street without knowing practically everyone that drove or walked by him. He was a sports fanatic and a die-hard Yankees fan. He never missed one of his kids' games, even when his son, Michael, went on to become the head coach of Mt. Hopes Varsity Baseball team. You could guarantee that he would be there with his sunflower seeds, cheering on his son and the players, offering insights. Mr. Mazz had a signature mustache, an infectious laugh that made his whole body shake, and a deep-rooted love for his Italian heritage. He was everyone's biggest cheerleader and family meant the world to him. In addition to his wife Kathy, Angelo is survived by his two children, Michael D. ## Tennessee Epsilon – Tennessee

### Howard R. McLean '67

Howard Randolph (Randy) McLean, 75, died in Charlotte, North Carolina on November 12, 2021. He is survived by his wife of 51 years, Linda Busby McLean; his daughter Caroline McLean Tolleson and her husband Matt of Atlanta; his son Zachary Busby McLean and his wife Rachel of Charlotte; his grandchildren Matthew Gale Tolleson, Jr, Frances McLean Tolleson, Cullen Fitzroy (Fitz) McLean, Lachlan Davidson McLean; his brother James Michael (Mickey) McLean and his wife Charlotte of Nashville; his mother-in-law Carolyn Hulme (Gigi) Busby of Sparta, Tennessee; as well as numerous beloved in-laws, nieces and nephews. He is predeceased by his parents, Frances Hammond McLean, and James Howard (Mac) McLean; and father-in-law Robert Kenneth (Bob) Busby. Randy was born on June 20, 1946, in Lawrenceburg, Tennessee. He grew up in Nashville, the youngest of two boys and had a very happy childhood. Later in life he would describe his upbringing as “idyllic 1950’s America.” Always serious about his studies, Randy also loved the family dogs, building model cars, and his high school job bagging groceries at the neighborhood grocery store, Green Hills Market. In 1964 Randy graduated from David Lipscomb High School where he was the center on his basketball team and was named the valedictorian of his class. He matriculated to the University of Tennessee where he was Phi Beta Kappa and a member of the Phi Kappa Psi fraternity. In his senior year, he met his future wife, Linda Busby. Randy graduated from UT in 1968 with high honors and was awarded an academic scholarship to The University of Virginia School of Law. Randy and Linda were married in 1970 in Sparta, Tennessee after Linda’s graduation from UT. Upon Randy’s law school graduation in 1971, he was admitted to the Virginia State Bar, and the North Carolina State Bar. The couple moved to Greensboro, North Carolina where Randy joined the North Carolina division of the Federal Estate and Gift Tax Attorney’s group for the Internal Revenue Service. A few years later Randy and Linda moved to Charlotte which is where they settled and raised their family. Randy made many deep friendships with his immediate coworkers and his “worthy adversaries” in the Charlotte legal community. He was well known for his quick wit and his enjoyment of sparring with his friends over sports, politics, and local events in Charlotte. He was an avid Tennessee Vols football fan, and a UVA basketball fan. He was also a charter season ticket holder for the Carolina Panthers and attended games with friends and family for years. Randy was a tremendous fan of “Jeopardy!” and watched it religiously. Had he ever been a contestant, we are certain he would have given Ken Jennings a run for his money! Most importantly, Randy was a family man. He stated as his objective from the beginning that he intended to have time to participate in his children’s lives as they were growing up and he more than achieved this goal. He was known for attending all of his children’s numerous sporting events with Linda. He was a longtime head timer at the swim meets at Charlotte Swim and Racquet Club, where he served on the board, and a beloved Sunday School teacher of second grade students at the Myers Park Baptist Church for many years. When the children were young, he drove the morning carpool to school every day. There were many road trips to Tennessee to see both beloved sets of grandparents in Nashville and

Sparta, and numerous vacations with both sides of the family. Living in Charlotte, the family was far from their roots, but it was important to Randy and Linda that their children grew up knowing their extended family. As his children grew, Randy took the time to remain a large part of their lives forging friendships with Caroline and Zach’s friends and their parents. He was always a phone call away with support and advice if needed. He loved both his son-in-law Matt, and daughter-in-law Rachel as though they were his own children. After a stellar 40-year career as a federal attorney, Randy retired from the IRS in 2011 shortly after his first grandchild was born. He enjoyed having the time and flexibility to be a large part of the grandchildren’s lives. In these years there were numerous family trips to DeBordieu, South Carolina. Linda and Randy loved to laugh and in these beach trips the laughter would echo through the house beginning early each morning and lasting late into the evening. As time went on it was harder for Randy to attend every sporting event, but he would keep up by calling each grandchild afterwards for an update. He would keep pictures on his phone and explain something about each grandchild to anyone that would listen. “Randaddy,” as he was fondly known will be sorely missed by his family. In lieu of flowers, donations may be made to American Diabetes Association, or to Myers Park Baptist Church.

## Jeffery S. Mecom ‘85

It is with deep sorrow that we mourn the tragic passing of Jeff Mecom on October 12, 2021, from an unexpected complication following cancer treatment. He passed peacefully at the age of 55, surrounded by his family. Anyone who met Jeff couldn’t help but like him. He was engaging, full of life, with an infectious laugh and a boundless sense of humor. If you were lucky enough to make him laugh even if it was just one time in your whole life Jeff instantly admired and respected you. Jeff was born on February 18, 1966, in Salinas, California, to Caroline and John Mecom and grew up in Richardson, Texas.

As a young boy, Jeff was smart, happy, curious and quiet. When Jeff was six years old, his family traveled to Europe, and this sparked a life-long love of traveling and meeting new people. In high school, Jeff excelled academically, athletically and socially. He earned a National Merit Scholarship and was a valuable member of consecutive state championship soccer teams. His sense of humor, positive outlook and kindness to others did not go unnoticed, as his classmates voted Jeff senior class favorite. Jeff’s advice to underclassmen reflected his outlook on life: “... just get involved and have massive amounts of fun.” Jeff’s gift of connecting with people continued at the University of Texas at Austin. Jeff was adored by his fraternity brothers, famous for funny comments and a love of playing cards with friends. During breaks, Jeff embarked on solo road trips, convinced others to join him on longer treks, and sometimes would just get in the car and drive to go somewhere new. Jeff thrived on learning new things, was an avid reader, and a lover of maps, crosswords and board games. Though he was crazy smart, Jeff epitomized intellectual

humility and always made those around him feel at ease. After earning a law degree from U.T., Jeff accepted a position teaching business law in Estonia at the Estonian Business School in Tallinn. During his time in the Baltics, Jeff visited several eastern European countries, Scandinavia and Russia. Upon returning to the States, Jeff married the love of his life, Lynne Hill. They began a wonderful journey together, marked by laughter, a love of concerts, travel and full of mutual respect. When their marriage produced a son, Jeff often said that he felt his life was fulfilled. Luke was the joy of Jeff’s life. Though Jeff had a successful career as an attorney for both private and public companies, he structured his life around his family. He was a devoted father and seldom missed a soccer game or a family event and always prioritized time for family vacations. Jeff is survived by his wife Lynne, his son Luke, his mother Caroline, his brother Jim (and his wife Kathy), his sister-in-law Julie Abell (and her husband David), his niece Grace Ann Abell, his nephew Bennett Mecom, his niece Kendall Mecom, his aunt Pat Hansen, and many dear cousins. He was preceded in death by his beloved father Dr. John Oden Mecom. Services will be held at First United Methodist Church, 503 N. Central Expressway, Richardson, Texas, on October 20th at 4 PM CT, with a reception to follow. In lieu of flowers, please consider honoring Jeff with an online tribute gift to the Texas Alpha Longview Scholarship Fund (<https://www.pkpfoundation.org/make-an-impact/>). ### Steven M. Block '61

Steve Block lived a grateful life. Some say he lived four lives in one. He worked hard and played hard. Not a minute was wasted. His generosity overflowed!! Steve was raised in Madison Park on Lake Washington. His Czech parents, Frank and Margaret Block, were refugees from the Holocaust. The family, including Peter Block and sister, Judy (Block) Schocken, loved the outdoors and always skied, hiked, and hunted mushrooms on weekends. Steve discovered FISHING! Steve always wanted to be a businessman. He graduated from the University of Washington, as a member of Phi Psi fraternity in 1964. Steve

worked for his father until he bought the business, Plymouth Poultry, in 1974. Steve treated his employees like extended family members and made many lifelong friends. His employees were involved in many of his loves: Seahawks, Huskies, Sonics, and Mariners tickets, hunting and fishing trips on the Miss American Pie, playing cribbage, and skiing trips. Steve (SMB 32) pitched slow pitch softball with his team, the Pluckers for 40 years. He also supported his wife's team, the Pluckees for 10 years. As a grateful American Steve served in the US Coast

Guard. His favorite song was "God Bless America." He leaves behind his wife of almost 47 years Betty; daughter, Nikki; son, Nate (Mandy) and six adoring grandchildren. All shared in his love of fishing, crabbing, shrimping, swimming, camping, and skiing yearly in Sun Valley as well as locally at Crystal Mountain. Steve and Betty also biked and played over 40 years of tennis and pickleball. Steve lived with Alzheimer Disease for over 10 years. Before his diagnosis, he was never sick. He was extremely fit and exercised every day. He was a true gentleman with an enormous sense of humor. The Family wants to pass along gratitude to Aegis on Madison for their loving support and care. Jewish tradition says, "May his memory be a blessing."

Steve's favorite prayer is the Fisherman's Prayer:

God grant that I may fish until my dying day

And when my final cast is made

Then I most humbly pray

When in the Lord's safe landing net

I'm peacefully asleep

That in His mercy I may be judged

As good enough to keep. Amen
